

To the Infrastructure Planning and Natural Resources
Committee,

I support the taxi services amendment Bill 2015.

I am a taxi driver and I have been driving for over 10 years. I have seen this lawless company come in and turn our industry into a laughing stock. The issuing of fines does nothing except make the elected government look like fools. Are we not able to uphold our laws? It would seem that illegal taxi operators believe, or have been told, that they are above the law.

I believe that demerit points are the best way to address this lawlessness.

Thank you for your time,

JOEL NICOLOSI
