Subject: KATTERS BILL REGARDING UBER

TO WHOM IT MAY CONCERN.

I give full support to the Bob Katters Bill regarding the Uber issue.

I personally retired 2 years ago at age 68 and invested my superannuation into a taxi licence.

With the Taxi income and some personal savings I can survive without approaching Centre Link .

If UBER gains control ,I am doomed .

Please give the Katter Bill full support.

Kindest Regards

Col Lawrie
