IMPACT OF PETROL PRICING  
SELECT COMMITTEE

P. CONNORS

TARA 442

TO ROB HANSEN

HOW COME PETROL PRICES  
AT BP TARA, TARA CAFE WHICH COMES FROM  
CALTEX IS A DIFFERENCE OF 15 TO 20 CENTS  
A LITRE TO DALBY PRICES

TARA IS 90 KMS. FROM DALBY  
SO WHY ARE WE PAYING MORE FOR  
PETROL AT TARA IS IT TRANSPORT OF  
THE FUEL.

WHAT IS THIS FUEL SUBSIDY  
NEVER HAVE SEEN IT.

PLUS SURAT BP IS THE SAME  
AS TARA SURAT IS 90 KMS FROM ROMA  
IS 15 TO 20 CENTS TO ROMA PRICES

HOW I KNOW THIS I WAS WORKING  
OVER THERE

CAN YOU EXPLAIN WHY IS IT  
YOU A OIL REFINERY OUT AT EROMANGA  
OUTSIDE QUILPIS IS NOT ON THE MARKET  
AND WHY HIGH PRICES IN CHARLEVILLE  
ARE THESE OIL COMPANIES LIKE BP, MOBIL  
CALTEX ARE SCARED TO BRING THERE  
PRICES DOWN

I THINK YOU SHOULD HAVE A LOOK  
AT TARA, SURAT, ROMA, CHARLEVILLE  
QUILPIS AND EROMANGA

BP. CHINCHILLA COMES FROM SAME  
DEPOT AT DALBY AND WHY HIGH PETROL  
PRICES ALWAYS IN THE BUSH.

YOU ARE HOLDING'S COMMITTEE  
HEARINGS WHY ONLY LONGREACH  
NOVEMBER 14 AND JULIA CREEK  
NOVEMBER IS ONLY TWO PLACES WEST  
OF GREAT DIVIDE

YOU FORGET WHERE ST GEORGE  
CHARLEVILLE BLACKALL ROMA  
WHERE THESE PLACES ARE

SO EVERYWHERE IN QUEENSLAND  
SO YOU GET A BETTER KNOW HOW  
PETROL PRICES ARE

DO YOU KNOW WHERE CRACOW AND WARRA  
ARE IN QLD.

THANKS

Peter Connors.

P.S. WARRA AND KOPAN ARE GHOST  
TOWNS THEY HAVE NO PETROL TO SELL  
NO FOOD STORE NO TAKEAWAY FOOD  
ALSO LONG PARK PIGSERY NEARBY  
CANNOT GET PEOPLE TO WORK  
THIS IS ONE OF REASONS PLUS  
NO CARAVAN PARK AT EITHER SO HORAN  
AND COMMITTEE SHOULD BE DOING SOME  
THING ABOUT THIS ISSUE
