Subject: Support of the new law protecting the Reef
Date: Wednesday, 13 March 2019 9:03:33 PM

Dear Queensland Government,

Hereby I would like to give my wholehearted support to the newly drafted laws that will protect the coral reef against pollution.

I live in the Netherlands, but the reef is such a unique and special places that it needs our every effort to protect it.

Yours sincerely,

Yori Schell
