Subject: SAVE THE REEF!!
Date: Wednesday, 13 March 2019 9:32:57 PM

I strongly support new laws to ban outdated polluting farm practices that are harming our Reef.

We care about the beauty our country has to offer. No longer will we turn a blind eye to corporate political greed!!!

Save our reef, KEEP ADANI OUT!!

ABOLISH COAL MINING FOR SUSTAINABLE ENERGY NOW!! WORK FOR OUR FUTURE!!!
