Subject: Support for Reef pollution cut laws
Date: Thursday, 14 March 2019 10:57:50 AM

Dear Sir/Madam,

My name is Chiara Pallini, and I am an Italian National living in the ACT.

I have been made aware by WWF Australia that the Queensland Government has taken draft laws to Parliament to cut Reef pollution.

I am writing this email today to convey and to show my support for these laws so we can give the Reef the clean water it needs to recover and protect it for future generations and ban outdated polluting farm practices that are harming Your beautiful and precious Reef.

Thank you very much for your time and collaboration.
Looking forward to seeing positive changes in this respect.

Best Regards,

Chiara Pallini
