Subject: Support to ban farming practices harming the reef
Date: Thursday, 14 March 2019 5:33:59 PM

Dear MPs,

My name is Mauricio

I strongly support new the new laws to ban outdated, polluting farm practices that are harming our great barrier Reef. And would like to urge you to pass this changes and any related law that could help this national symbol and critically important part of our oceans ecosystem.

Thanks in advance for your consideration,

Best regards,

Mauricio NUNEZ MUNOZ
