I'm an Australian American; I've been an SGT in the military U.S Army 101 Airborne. I have lived in Australia for 30+ year, and I know in my heart of heart I would go to jail before I would let anyone come into my home causing damage or put their hand on my family. We all half to put a line in the sand and that is it for me. My son & daughter-in-law are both Queensland police officers and we hear all that is going on behind the scenes.
