

Criminal Code (Defence of Dwellings and Other Premises—Castle Law) Amendment Bill 2026

Submission No: 067

Submission By: Tr Sampson

Publication: Making the submission and your name public

My wife is 5'4 and weighs 50kgs. What hope would she have home alone against 1 let alone 4 home invaders who have been targeting our suburb. If someone breaks into your home their rights should not take precedence over the actual victims. They should not be protected and the home occupant should take whatever action requires to protect their life and home. I support Castle Law.
