

Criminal Code (Defence of Dwellings and Other Premises—Castle Law) Amendment Bill 2026

Submission No: 168

Submission By: [REDACTED]

Publication: Making the submission public but withholding your name

I fully support the Castle Law amendment

The current laws are a joke where the criminals have all the rights while law abiding citizens and homeowners have very few when it comes to defending yourself, your family, your property and your home.

People should have the right to defend themselves and their home and property using any means necessary when being threatened on their own property
