

Community Protection and Public Child Sex Offender Register (Daniel's Law) Bill 2025

Submission No: 19
Submitted by: Elly Steinback
Publication: Making the submission and your name public
Attachments: No attachment

Submitter Comments:

Daniel's law should be imposed globally, everyone has the right to know if someone like that is living in the suburb they are raising their family. Raising awareness in the community will prevent further incidents from occurring.
