I wish to help Kerry Anne Dooley to get rid of the drugs in parks and beaches in Redcliffe Qld. I've always been against the drug issues cause of my brother [REDACTED] who sadly passed away five years ago from taking drugs he ended up with large blood clots in his lungs and cause he was so addicted to the drugs it was too late for him to stop the habit. This is why we need to stop the drugs affecting other people and the generation of young people who are addicted to get off the drugs now before it's too late. Regards Kathrine Eaves older sister of my brother [REDACTED].
