The Adult Crime, Adult Time Laws are having an effect in decreasing crimes committed by Juveniles. I support Premier David Crisafulli's stance on this issue. I believe the legislation needs to be extended to include more crimes committed by juveniles.

I have watched anti-social behavior by Juveniles riding e-bikes and e-scooters through the Stockland Shopping Centre in Hervey Bay. The Security Guards were clearly outnumbered but managed to get them out of the Shopping Centre. These illegal e-bike and e-bike riders are a danger to themselves; pedestrians and motorists and Police need to ensure that these juveniles are dealt with within the full force of the law.
