

Expanding Adult Time, Adult Crime and Taking a Strong Stance on Drugs and Anti-Social Behaviour Amendment Bill 2026

Submission No: 098

Submission By: [REDACTED]

Publication: Making the submission public but withholding your name

As someone who has had a son involved with drugs/alcohol over many years, including episodes that have resulted in criminal offences against myself and others I have just one recommendation:

Make drug and alcohol rehab involuntary for offenders. When an offence has occurred, it is often the best shot we have of stopping an addiction that will lead to more offences. It's better than continuing to release someone without addressing the underlying issue.
