I welcome the Liberal Party's new drug laws which mean consequences for drug offences and creation of a safer environment for Queenslanders. Whilst delivering flyers, for the Action Against Hooning campaign, I met many residents of Redcliffe Peninsula who are sick and tired of antisocial behaviour, hooning and noise. This behaviour is intolerable and is having a detrimental affect on our health and wellbeing and has already prompted some people to leave the area. We need a greater police presence and we need tough laws to deal with crime now!
