

# **Electoral Laws (Restoring Electoral Fairness) Amendment Bill 2025**

**Submission No:** 032

**Submission By:** Lindsay Doherty

**Publication:** Making the submission and your name public

---

I oppose this ridiculous proposal.

The only thing I can see coming from this is more government corruption.

It is undemocratic and will move electoral power away from the residents of Queensland and into the hands of the LNP's dodgy developer and financial mates.
