

# Electoral Laws (Restoring Electoral Fairness) Amendment Bill 2025

**Submission No:** 038

**Submission By:** Kaylyn Pratt

**Publication:** Making the submission and your name public

---

I oppose this Bill because every person, incarcerated or not, should be allowed to vote in elections. Incarcerated people are as affected by laws and regulations as everyone else so they deserve the choice to vote in elections. It is unlawful for any citizen to be barred from voting.
