The Israeli government has been accused of genocide and is committing terrible crimes in Gaza and the West Bank. The Federal Government is spineless in opposing their actions. It is opposing anyone wishing to protest Herzog's visit, and ignoring police brutality against protesters. As an individual I want to remain free to express my absolute revulsion of the actions of the Israeli government and people, and the lack of action of the Australian government against Israel's genocide.

I believe I should be allowed to express my attitude of disgust of the Israeli government, the Israeli people carrying out genocide, and Jewish Australians supporting their actions and controlling the narrative by trying to suppress the voice of the Palestinian people.

You need to explain to me and those like me who oppose Jewish genocide in Gaza and suppression of Palestinians in the West Bank exactly where the fine legal line is when criticizing Israeli/Jewish genocide in Gaza.

If I believe the Jewish lobby has had too much influence on this legislation, [REDACTED]
