I do not support any changes to firearm laws in both QLD and Nationally.

Firearm storage is already sufficient.

More focus is required on removing illegal firearms from gangs and criminals.

As for antisemitism laws, I don't support these changes either, who will be the one deciding if it's hate speech or not? Police? Not a chance this is going to fix the problems.

Better start building a lot more Jail's and put a lot more budget aside to feed them all the inmates.
