

## Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

**Submission No:** 073

**Submission By:** William Grant

**Publication:** Making the submission and your name public

---

To whom it may concern,

I believe as a recreational shooter, there should be no penalty for doing the right thing. The law states quite clearly how weapons should be stored safely, etc. Follow that law and there won't be a problem. Taking firearms off the law abiding citizens won't stop the criminals from obtaining their own weapons through illegal proceedings.

Thank you for your time.
