I have been law abiding firearms owner for the last 27 yrs, never have I been in trouble with the law and I have never done anything illegal with my firearms.

The knee jerk reaction by, in my opinion, the weakest PM Australia has ever seen, is nothing short of disgraceful.

Instead of calling out Islamic Extremism.... Which is the actual issue that Bondi has highlighted, and secondary to that, is the government's inability to act on red flags!!

That is the actual issue.... Albo was trying to make it look like he was doing something, but in reality he was just punishing law abiding firearms owners for doing absolutely nothing wrong 💎
