

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 095
Submission By: [REDACTED]
Publication: Making the submission public but withholding your name

These laws are NOT required as no law abiding citizen was the problem.

This is a knee jerk reaction or was it planned...? This legislation was drawn up before the incident(it had to be) so I wonder if the situation was expected by government?

New do not need more gun laws..

We need less laws and more actual effective government and proper justice!

IMO
