

# Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

**Submission No:** 113

**Submission By:** [REDACTED]

**Publication:** Making the submission public but withholding your name

---

Punishing law abiding citizens or residents for the crimes of radicals or criminals is not right. If existing laws had been enforced, Bondi would not have happened nor would most gun crime.

As a law abiding non citizen who not only holds a firearms licence but also a position of extreme responsibility in the airline industry, I find it very offensive to suggest I am the problem.

The existing laws are sufficient as they are, they just need enforcing not changing. I do not support the changes.
