

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 125
Submission By: MARK HUGHES
Publication: Making the submission and your name public

To the Committee,

The laws proposed by the bill seem fair though still unwarranted.

No further added restrictions to weapons or compulsory mental health assessments should be considered for the law abiding shooting community and farmers alike.

Deal harshly and consistently with the law breakers and terrorists.

Regards

Mark W Hughes.
