

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

The proposed laws for Anti-Semitism and Keeping Guns Out of the Hands of Terrorist Criminals Amendment Bill as they stand are fair and effective. They do not punish law abiding gun licence holders (both citizens and visa holders who currently have a licence) whilst simultaneously limiting the threat to public safety by ensuring that people who have not yet been vetted by the Department of Home Affairs do not receive any new licences.

Please keep the proposed laws in their current form without any amendments.
