

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 140
Submission By: Peter Robinson
Publication: Making the submission and your name public

I am not a current weapons licence holder.

It is refreshing to see a government within Australia taking a balanced view of legislative change in the horrible aftermath of the extremist Islamic terrorist attack at Bondi.

It is encouraging to see the Queensland Government focusing on the basis of real crime, that is unlawful possession of firearms and the possession of unregistered firearms as well as the unlawful use of firearms.

I completely support the current Queensland Government in the submission of this legislation.
