I don't see the logic in New Zealanders not being able to hold firearms license. I have a license and have lived here 20 years, NZ and Australia have a "special relationship" and we also have legislated Closer Economic Relations CER. Kiwis get a visa on arrival and to restrict them from firearms licensing actually makes no sense at all, it's a poorly thought out piece of legislation in my view and as a former tactical member of the NZ police Armed Offenders Squad I content that I am more than suitable to hold a firearms license.
