

# Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

**Submission No:** 161

**Submission By:** Rachel Gallagher

**Publication:** Making the submission and your name public

---

Queensland has strong existing laws to address violence and vilification. Expanding the law to prohibit specific political expressions risks breaching human rights protections, failing constitutional proportionality requirements, and setting a concerning precedent for future governments.

I respectfully urge Parliament to reconsider the proposed prohibition or, at minimum, substantially narrow its scope and strengthen safeguards to ensure compatibility with democratic principles.
