

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 176
Submission By: Mark Fuhrmeister

I agree with the proposed elements of the new bill.

I believe Antisemitism is a very difficult social issue to control as current global conflicts along with the historical realities of religious conflict will continue to cultivate future attacks.

With the above historical factors I would like to see any slogans of intimidation be limited to their individual original first languages.
