

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 229

Submission By: [REDACTED]

Publication: Making the submission public but withholding your name

Overall i would like to say well done to the Crisafulli government.

The is a well thought out bill and does not aim to target law abiding firearm owners, but strength our laws.

The federal labour government could learn a thing or two from the QLD government.

Please consider making it illegal to burn an Australian flag, as i consider that hate speech.
