

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 242

Submission By: [REDACTED]

Publication: Making the submission public but withholding your name

I think this law is not needed as these are already covered in federal laws. Also the ambiguity seems to indicate a level of deliberate confusion to ensure people are unable to actually follow the rules. Therefore leading to unfair prosecution.

I am also concerned about symbols being unnecessarily banned for the purpose of censoring and scaring people.
