

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Dear Premier and LNP Government,

I wish to support this bill and applaud your unhurried and considered response to the recent tragic expression of anti-semitic hate, allowed and arguably fostered lately in Australia.

As a legal and law abiding firearm licence holder, i am tired of having the stench of criminal acts laid at my feet. Please continue to seek out and punish the guilty parties, not me.

I am also a member of a persecuted minority, so i can identify with our Jewish community.

Please stay true to your direction, even in the face of the noisy minority bleating.

Thank you for your consideration,

Bruce J Williams JP
