

# Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

**Submission No:** 249  
**Submission By:** Niamh Cawley  
**Publication:** Making the submission and your name public

---

I am wholly against this bill. Given the limits on free speech and the broad scope of the bill I believe it is not in the interest of our democratic country to carry this forward.

Where does the bill end? Who chooses the phrases and words to be banned? In the future when it does not fit the governments agenda do you ban new words and sayings? Power to the people not the government.
