

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 263
Submission By: Brian Sayers
Publication: Making the submission and your name public

The Legislation is not covering the issues which citizens are concerned with, such as inciting hatred and dividing communities. These activities demolish social cohesion, creating hatred, racism, violence and disruption of citizen's freedoms in public domain and thoroughfares, as well as creating fear for ordinary folks going about their lawful business and recreational activities. Please include legislation to prohibit this type of activity and commit the media to accurately expose activity which threatens the security of our State and Nation.
