I would like to express my concern over the new legislation regarding Gun laws in Austarlia, First of all as a firearms licence holder and owner of guns i realise that ths is a privelege and not a right to have them,I think qld is doing the right thing by not changing laws and punishing law abiding gun owners with introducing tougher gun laws like NSW did on a knee jerk reaction by anti gun groups, criminal or terroist will be able to arm them selves regardless of any laws..
