

# Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

**Submission No:** 347

**Submission By:** Antonino Caltabiano

**Publication:** Making the submission and your name public

---

Our fathers and mothers fought for our rights. We are all sorry for what happened at Bondi beach but we should all not have to suffer for it. The government is jumping to conclusions, anyone that owns guns is dangerous. The laws should be aimed at non citizens, and better background checks. Please use your powers better.
