

Fighting Antisemitism and Keeping Guns out of the Hands of Terrorists and Criminals Amendment Bill 2026

Submission No: 359

Publication: Making the submission and your name public

Dear Sir/Madam,

With regard to s52D(1), who decides 'that might reasonably be expected to cause a member of the public to feel offended'?

Under the Queensland State education system I was compelled to study George Orwell's 1984 ... 'The ministry of truth concerns itself with lies: war is peace, freedom is slavery, and ignorance is strength ... In the end the Party could announce that $2+2 = 5$ and you would have to believe it.' I am extremely concerned that this is the point at which we have arrived.

Yours Sincerely

Cameron Waugh Barker
