I do not believe that media should be allowed in. Children's Court should be kept closed. Changes need to be made. Recently, in my town, we had a 14 year old boy commit numerous break ins causing much damage and stealing tens of thousands of dollars. He was caught on security cameras. When he went to court he was not punished - no restitution ordered, no community service, no fine, no detention. The Magistrate said all he has to do is apologize to his victims. My community still has no working bank since he broke in. The whole community except for the offender is being punished.
