

## Making Queensland Safer Bill 2024

**Submission No:** 18  
**Submitted by:** Alethea Blackler  
**Publication:** Making the submission and your name public  
**Attachments:** No attachment

**Submitter Comments:**

Children are not able to make decisions like adults can. They are not disincenticised by punishment when they think they are invincible. They need proper education and support in their own communities before they turn to crime, not harsher punishments for acting out.
