My wife & I are in our early 70's living on the edge of Townsville on a block with heavily chained gates, our bedroom has mesh on the windows & the door is secured with a steel bar, our yard is patrolled by dogs & we have cameras & movement lites.! I have been to all of the protest meetings over the years during the State Labor rule. I addressed Mark Ryan at the Bowls Club one & warned him if they didn't curtail this crime epidemic , Vigilantes would take action.! He laughed at me , 2 months later Jennifer Broad lost her life.! My sister was held up in her home last year at knifepoint- still recovering & they have sold their home & moved to Charters Towers.! We don't go out at <u>nite</u> anymore, we are selling my wifes small car as she doesn't feel safe in it anymore preferring to drive the Landcriser with the big bullbar – so sad that we are the innocent victims who have done no wrong , trying to enjoy our retirement in peace after working all our lives.!
