I find it a travesty that the Government would consider passing this Bill when there is no evidence globally that supports incarceration as a means of appropriately addressing youth crime. If there is evidence from reputable sources please provide this. In the meantime I recommend that you consider the recommendations of:<https://www.uts.edu.au/about/faculty-law/news/locking-young-people-doesnt-work><https://www.sentencingproject.org/reports/why-youth-incarceration-fails-an-updated-review-of-the-evidence/><https://humanrights.gov.au/about/news/governments-must-urgently-address-youth-justice-crisis><https://www.aecf.org/blog/reviewing-the-evidence-how-youth-incarceration-undermines-public-safety>
