Kathleen Smith

Children in the motor vehicles.

It is understood by many that this sort of thing is all a setup. Seems to me, the ones who don't know are blind and deaf to the correct thing. And that they are. Changing of laws to suit one self on false witness. This is the thing that is being seeded wrongfully, this bill.

It's all done with vectors in the womb, vaccinations on the people, hypnosis, brainwashing, brain damage, calls, lures, procuring, skitches and assaults unknown to me, at least. It is done on purpose to the children, people, and animals. At times it is called the Cell, and other Cell,... are assaulting all, and is referred to as The Game.

This was going on in Ingham, North Queensland, in the 1960's after children at the Ingham State Primary school were attacked in a most dreadful way. Many children. World War 11 could have been a massive brainwashing technique. Learned things to manipulate and get something on someone and then say the brainwashed person/s have done something wrong. Definitely a false witnessing said. It is known about so why are you all lying about it all.

Brain damaging person/animals to claim that they have done an illegal thing, is a criminal offence, from those telling the false WORDS, ACCUSATIONS. And they KNOW it is. The Game, gotta get the boys a job to do. Like hitting on Police force, situating themselves in police force, quite nicely, thank you very much, they reckon, and then it is open slather on ALL. And that has been the very thing, definitely, since the second world war, though long before that. The Cell and other Cell. Correct thing, is unknown to me, but it has been referred to as the cell, many cell. In plain language one, or many individuals who want and desire the wrong thing, and never care how they get their wants and desires.

The children, people, animals have bloodshot eyes, weeping eyes, swelling of the brain, and bleeding of the brain with all the assaults on them they are a mess. It is all a set up because the Cell wimps use and abuse others to get their wants and desires. It does talk out loud often, and has said they have swelled brains. meaning they are giving cheek NO.. the cell is swelling their brain. ' They need a shrink', it says well look out for the head shrinking vector...the person/animal will be a terrible, terrible mess

Witchcraft and brainwashing , hypnotism, botanicals, plus many control mechanisms unknown to me are used in this. Even to hold a country wrongfully, it is used. control freaks and their learned things/ knowledge. Devices, drugs, sonics...on and on.... dimensions. the dead. The return of the dead, war mongering. They reckon they have been wronged.

Many assaults, but other people seemed to be sleeping and knocked out, but woken up to witness it a little, and then they are attacked to. Going a hunting. Not allowed. If there is a witness...attitude is. kill it ..get it to

The cell has hated me all my life, everyone else to. Always false witness and set ups, and picking fights. I always tell it off. Always in for the kill..... and they definitely kill and blame/ name another person. Its been assaulting like that all my life. that is over 70 years. Has murdered members of my family, just like other families. Who, has got who going,... to kill

It isn't 18 years, then put people in jail...it is still 21 years. All this push from individuals against THE TEN COMMANDMENTS has NOT , NOT gone unnoticed... condemning , condemned ...and that it is .. and as for the individuals pushing that, possibly SAME. Never allowed run around earth as one likes, talking, seeding the wrong thing.

The cell tells untruths..set ups . Manipulation of vehicles. They have been working in future, people born in the future ,mentioned and assaulted, name someone for it ,huge fights and false witness.. Personally speaking I ,myself got hit by it, in the sixties in Ingham, the vehicles are manipulated some how, exceptionally strange. One never does it, oneself. Put person in the car , kick them out of them. Some how one might make it home. Can't stay awake. One sleeps, if allowed, and on waking, no memory of it. They mess with the brain horribly, amnesia and chips. they deliberately brain damage people/animals and they are diminished in many abilities, dreadfully so.

I could go on. I you think you have the drift..Wrong thing again on the assaults, wrong arrangements, wrong laws being arranged by the wrong persons for harvests and bashing and murder, rape , experiments, vector them. The aboriginal persons cop it worse than white at times.. Many wrong persons in jail. False witness and set ups. Jesus Christ was put in jail wrongfully, you know...or haven't you heard of HIM doesn't sound like it to me....Are you all blind and deaf and brain damaged or some thing.. Many many wrong persons/animals in jails. Many different jails...Many people pushing the wrong version in life to..

Never go against THE TEN COMMANDMENTS

The QLD parliament isn't allowed this - wrong people/animals and, in jail. Wrong law, AGAIN

the Premier of Qld comes from Ingham,, ...how come he doesn't know . You are all taking notice of the Cell and other. Better deprogram.

A person/animal is brainwashed to attack. They tease and manipulate it all, with vectors, plus things unknown to me..... the person/animal are not themselves, and they are not like that, so must not be shot or killed... the cell likes living off excuses like that ..many others like to live off excuses to.
