Submitter Comments:

They need to be tried for the crime and not to be down graded and have to serve 80% of their sentence.

And 18 year olds charged as a adult if you are old enough to vote drink you get charged as a adult

Start holding their parent's held accountable for their children's action's and give them back their responsibilities of punish their little darling's and give the police teacher's and anyone in authority their power back to them
