### **Submitter Comments:**

The man who groomed me for 3yrs and sexually assaulted me was one of the most charismatic and charming people youve ever met. Yet he was doing this to not just me but multiple girls while cohesively controlling all of us. Who people are when they mask and charm says nothing about the evil within them. Just because theyre a good blokes to their work colleagues doesnt mean they deserves a lighter sentence for what they did to their victim/survivors.
