Penalties and Sentences (Sexual Offences) and Other Legislation Amendment Bill 2025

Submission No: 193 - FORM A or variation of FORM A

Submitter Comment:

I wholeheartedly support the proposal from the #YourReferenceAintRelevant campaign calling for a total abolition of good character references in the sentencing of convicted rapists, child sex offenders, and perpetrators of domestic violence.

Allowing these references enables abusers to weaponise their social status to minimise harm. Justice should be based on the facts of the case — not on who the offender knows.
