Legislation Amendment Bill 2012  
Submission 070

Dear Sir,

I bought my unit in Peninsula under certain unit allocation.

I understood these were the conditions I would continue to pay my body corporate fees while I lived in my unit.

I am 86 & find living expenses are getting beyond my income.

Change conditions if you must but leave present arrangements as they are.

I do not believe in retrospective laws.

Thanking you

Jure Bassett.
