I am electrician that has been living in the pinnacle for 5 years now ,in a 1 bedroom + study 93 sqm on level 7. When I bought in 2008 my b.c. Was \$66 per week , the law changed and it went up to \$137 per week ,it took 2 1/2 years to change back to approx \$66 per week. I certainly don't want them to change again. Yours sincerely ROSS STEVENSON
