**Re; BODY CORPORATE & COMMUNITY MANAGEMENT &
OTHER LEGISLATION AMENDMENT BILL 2012.**

We would like to voice our support of the bill introduced into Parliament on 14th September 2012 by the Honorable Jarrod Bleijie MP. but would like to see an amendment regarding the reinstatement time periods for body corporates to act upon, giving them 30 days to act upon this matter with a maximum 45 days, previously when we applied for our change in contributions this procedure was held up for 12 months, but when one owner applied for it to be reversed it took only a few weeks by the Body Corp Committee to change it., so feel it is very important to have a maximum time limit included

Thanking you ,

Yours sincerely,

M. Summerville
