I wish to make submission to allow for the equalisation of body corporate levies within a community titles scheme.

I live in the Palms single level complex.
At this time the complex levels varying rates of body corporate levies depending on the size and location of the dwelling.
However every villa in the complex enjoys equally he same services, such as lawn mowing, garden maintenance etc.

I respectfully submit that body corporate levies shoul be equalised within a community titles scheme.

Yours faithfully

E. Irwin
