

Re. Bill to undo those parts of the April 2011 amendment to the
Body Corporate and Community Management Act.

As owners of unit [REDACTED] Indigo Blue Residences, The Esplanade,
Burleigh Heads, we wish to let it be known that we object to the
changing of the parts of the Body Corporate and Community
Management Act that relate to the contributions entitlements for
the existing Community Titles Schemes of Indigo Blue.

If the CSLE are changed back to the Adjustment Order of May
2006, we as owner of unit [REDACTED] (139sq.mtrs) will be paying
more body corporate fees than a sub-penthouse and equal fees to
the penthouses. These units are far larger in size and contain far
more glazing and have a much larger market value. We do not
consider this to be fair or just.

We therefore ask that you consider the motion that the CSLE
remains unchanged.

Thank you
Yours Sincerely

Gordon and Trish Henry
